

SOUTHERN ARIZONA GOLDEN RETRIEVER RESCUE **REPORT OF HOME VISIT TO POTENTIAL FOSTER/ADOPTER**

Revised July 25, 2013

This home visit report is for both potential fosters and potential adopters. Please fill out the form completely with all pertinent information, then send it in. (See the submission instructions on the last page.)

There is room for comments in all sections, and the better you can describe the home and family, the better match SAGRR can make for just the right Golden for this family. Keep in mind that the Placement team does not know this family or anything about them except what you provide in this report, so you are their eyes and ears to help them "see" the adoption family via this report.

COMMENTS ON TRAINING, FEES, MISCELLANEOUS, OR IN GENERAL:

I did not see any red flags for an adult mellow golden which most are (-; The yard is small and they both work full time so a high energy dog or a puppy that needs a lot more attention and supervision might not be a good fit for this couple at this time.
