

SOUTHERN ARIZONA GOLDEN RETRIEVER RESCUE REPORT OF HOME VISIT TO POTENTIAL FOSTER/ADOPTER

Revised July 25, 2013

This home visit report is for both potential fosters and potential adopters. Please fill out the form completely with all pertinent information, then send it in. (See the submission instructions on the last page.)

There is room for comments in all sections, and the better you can describe the home and family, the better match SAGRR can make for just the right Golden for this family. Keep in mind that the Placement team does not know this family or anything about them except what you provide in this report, so you are their eyes and ears to help them "see" the adoption family via this report.

COMMENTS ON TRAINING, FEES, MISCELLANEOUS, OR IN GENERAL:

These folks were just not as enthusiastic about my dog as I'm used to. Maybe because he really wants a pure Golden. They just weren't as loving and petting as I usually see. He's never had any kind of a dog in his life so maybe that's why. Maybe they just weren't crazy about Murphy. They just didn't seem like typical "DOG PEOPLE"

I would not leave Murphy in this home. They just weren't excited about him. Perhaps a different dog would be a different story -
