

SOUTHERN ARIZONA GOLDEN RETRIEVER RESCUE **REPORT OF HOME VISIT TO POTENTIAL FOSTER/ADOPTER**

Revised July 25, 2013

This home visit report is for both potential fosters and potential adopters. Please fill out the form completely with all pertinent information, then send it in. (See the submission instructions on the last page.)

There is room for comments in all sections, and the better you can describe the home and family, the better match SAGRR can make for just the right Golden for this family. Keep in mind that the Placement team does not know this family or anything about them except what you provide in this report, so you are their eyes and ears to help them "see" the adoption family via this report.

COMMENTS ON TRAINING, FEES, MISCELLANEOUS, OR IN GENERAL:

Kim has worked as a vet tech in the past and very knowledgeable, although never owned a Golden. The kids were good with Maggie but lost interest after we were there awhile and disappeared to their play room. Kim and Sheila were both great with Maggie but especially Kim, who sat on the floor with Maggie's head in her lap, never stopping petting. I think Maggie would have happily stayed forever!
