

SOUTHERN ARIZONA GOLDEN RETRIEVER RESCUE REPORT OF HOME VISIT TO POTENTIAL FOSTER/ADOPTER

Revised July 25, 2013

This home visit report is for both potential fosters and potential adopters. Please fill out the form completely with all pertinent information, then send it in. (See the submission instructions on the last page.)

There is room for comments in all sections, and the better you can describe the home and family, the better match SAGRR can make for just the right Golden for this family. Keep in mind that the Placement team does not know this family or anything about them except what you provide in this report, so you are their eyes and ears to help them "see" the adoption family via this report.

COMMENTS ON TRAINING, FEES, MISCELLANEOUS, OR IN GENERAL:

They paid \$3,000 for Layla so are very comfortable with our fee structure. Bonnie and I agree that while there is nothing wrong with this home and we feel they would make good owners, it would depend on our dog as to whether we would leave one of ours (especially our older ones) there due to the hyperactivity of Layla. She is a beautiful English Cream but a handful at this point in time. She is going to training classes. Tyler takes Layla with him, even on business but understands that would be almost impossible with more than one dog which is why it would be nice to have a companion for her.
