

# **SOUTHERN ARIZONA GOLDEN RETRIEVER RESCUE** **REPORT OF HOME VISIT TO POTENTIAL FOSTER/ADOPTER**

Revised July 25, 2013

*This home visit report is for both potential fosters and potential adopters. Please fill out the form completely with all pertinent information, then send it in. (See the submission instructions on the last page.)*

There is room for comments in all sections, and the better you can describe the home and family, the better match SAGRR can make for just the right Golden for this family. Keep in mind that the Placement team does not know this family or anything about them except what you provide in this report, so you are their eyes and ears to help them "see" the adoption family via this report.

**COMMENTS ON TRAINING, FEES, MISCELLANEOUS, OR IN GENERAL:**

Jack Clarke is a sharp, healthy 91 year old man. My only concern with a placement is that he have help taking the golden for walks. He mentioned that his caregiver would be helping him. Based on that, I would recommend him for approval.

Jack wanted to know if the 6 year old female recently advertised in the newspaper still available for adoption. He would like to be considered if so.
