

SOUTHERN ARIZONA GOLDEN RETRIEVER RESCUE **REPORT OF HOME VISIT TO POTENTIAL FOSTER/ADOPTER**

Revised July 25, 2013

This home visit report is for both potential fosters and potential adopters. Please fill out the form completely with all pertinent information, then send it in. (See the submission instructions on the last page.)

There is room for comments in all sections, and the better you can describe the home and family, the better match SAGR can make for just the right Golden for this family. Keep in mind that the Placement team does not know this family or anything about them except what you provide in this report, so you are their eyes and ears to help them "see" the adoption family via this report.

COMMENTS ON TRAINING, FEES, MISCELLANEOUS, OR IN GENERAL:

I would not want Bonnie to be subject to indiscriminate feeding nor to have to make the adjustment to poor Murphy who is a victim of over feeding & could have probably used some training & socialization years ago. I do not doubt that Sherrill loves Murphy but I do not believe she has handled his hip surgeries well. I have some reservations, but I would think maybe a very laid back older dog might fit in.
