

# **SOUTHERN ARIZONA GOLDEN RETRIEVER RESCUE** **REPORT OF HOME VISIT TO POTENTIAL FOSTER/ADOPTER**

Revised July 25, 2013

*This home visit report is for both potential fosters and potential adopters. Please fill out the form completely with all pertinent information, then send it in. (See the submission instructions on the last page.)*

There is room for comments in all sections, and the better you can describe the home and family, the better match SAGRR can make for just the right Golden for this family. Keep in mind that the Placement team does not know this family or anything about them except what you provide in this report, so you are their eyes and ears to help them "see" the adoption family via this report.

Comments on The Golden for You:

Alejandra is young and energetic but has chronic pain condition. Also, her son is undisciplined so it makes one wonder how well she would train a Golden? She is planning to move to Eugene, OR, after getting out of the service in about a year. Bonnie told her about a wonderful rescue group up there if she were to wait. She also is planning to have surgery to help her condition (involves brain surgery and time in hospital) in the coming months prior to her move.

COMMENTS ON TRAINING, FEES, MISCELLANEOUS, OR IN GENERAL:

With the small apartment, undisciplined 5 year old, upcoming surgery and move next year to Oregon, we don't think this home would be the best fit for one of our Golden. Alejandra will make a wonderful Golden mom when the time is right, Bonnie and I both feel.
