

SOUTHERN ARIZONA GOLDEN RETRIEVER RESCUE **REPORT OF HOME VISIT TO POTENTIAL FOSTER/ADOPTER**

Revised July 25, 2013

This home visit report is for both potential fosters and potential adopters. Please fill out the form completely with all pertinent information, then send it in. (See the submission instructions on the last page.)

There is room for comments in all sections, and the better you can describe the home and family, the better match SAGRR can make for just the right Golden for this family. Keep in mind that the Placement team does not know this family or anything about them except what you provide in this report, so you are their eyes and ears to help them "see" the adoption family via this report.

COMMENTS ON TRAINING, FEES, MISCELLANEOUS, OR IN GENERAL:

Loved this family !! I believe they are ready for a large dog in their lives, though they have not had one since the boys were born. Boys ages 10 & 12 interacted very appropriately with my resident dog (active, large 2 year old with a huge coat and high energy level). We talked about redirecting as needed, types of correction as needed, positive reinforcement, minimal or no punishment (because when a dog like a golden does something wrong it is usually the owners fault for lack of supervision or training) explained much like they have raised their boys (-; they seem to really get it and know that their very clean shiny tile floors will no longer be that most of the time ... lol.... (-; Dog door goes to garage which is no good, so they are open to adding a door to the back yard if it seems like the right thing to do for the new dog. They asked all the right questions and have the financial means to add golden to their family.
