RE: Pet Policy

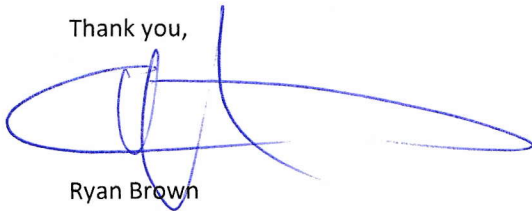

To whom it may concern;

The Villas at San Dorado Apartment Home's allow pets in homes, including most specifically cats and dogs. A two pet maximum per home is enforced, and while we do not have any restrictions on pet size, breed restrictions do apply. Provided along with this letter is a list of restricted breeds.

Residents are required to pay a one-time pet fee of \$250.00 for the first pet, and another \$50.00 for a second pet. Per month, a resident is charged \$25.00 for pet rent, per pet.

With questions, please contact the management office at 520-447-5555 or at villassandoradoapts@northland.com
