

## SOUTHERN ARIZONA GOLDEN RETRIEVER RESCUE REPORT OF HOME VISIT TO POTENTIAL FOSTER/ADOPTER

Revised July 25, 2013

*This home visit report is for both potential fosters and potential adopters. Please fill out the form completely with all pertinent information, then send it in. (See the submission instructions on the last page.)*

There is room for comments in all sections, and the better you can describe the home and family, the better match SAGRR can make for just the right Golden for this family. Keep in mind that the Placement team does not know this family or anything about them except what you provide in this report, so you are their eyes and ears to help them "see" the adoption family via this report.

They both really want a large companion dog and don't mind the hair etc. They bonded very well with Rowdy and I feel this is a great home for a GR. She also wants to become a member and volunteer. So I recommended she join and get on the news emails in order to see where the need is for help.

She really wants 2 however, understands the first one may need a settling in period, and is more than willing to do that too.
