Dear Pat:

This is to confirm my approval granting you permission to get a Golden Retriever and maintain this at the home you rent from me at 2462 S. Perillo. I know what a wonderful dog owner you are and the Golden Retriever will be very lucky to have you as an owner. All three dogs that JR and I have had over the last twenty years were dog rescue groups and we were so blessed to have each of them.

Please let me know if you need a signed letter, I will be happy to provide it if this is not acceptable.
