

## SOUTHERN ARIZONA GOLDEN RETRIEVER RESCUE REPORT OF HOME VISIT TO POTENTIAL FOSTER/ADOPTER

Revised July 25, 2013

*This home visit report is for both potential fosters and potential adopters. Please fill out the form completely with all pertinent information, then send it in. (See the submission instructions on the last page.)*

There is room for comments in all sections, and the better you can describe the home and family, the better match SAGRR can make for just the right Golden for this family. Keep in mind that the Placement team does not know this family or anything about them except what you provide in this report, so you are their eyes and ears to help them "see" the adoption family via this report.

### COMMENTS ON TRAINING, FEES, MISCELLANEOUS, OR IN GENERAL:

John has health issues and sometimes uses walker or electric chair. He said he used walker to greet us as he is aware he has to be cautious around bigger, strong dogs like Goldens. I believe he mentioned that he has MD. They do have a friend that visits with her Boxer every few months or so and a granddaughter with a mali-poo that they have cared for in the past. Such nice people!
