

SOUTHERN ARIZONA GOLDEN RETRIEVER RESCUE REPORT OF HOME VISIT TO POTENTIAL FOSTER/ADOPTER

Revised July 25, 2013

This home visit report is for both potential fosters and potential adopters. Please fill out the form completely with all pertinent information, then send it in. (See the submission instructions on the last page.)

There is room for comments in all sections, and the better you can describe the home and family, the better match SAGRR can make for just the right Golden for this family. Keep in mind that the Placement team does not know this family or anything about them except what you provide in this report, so you are their eyes and ears to help them "see" the adoption family via this report.

WOULD YOU LEAVE YOUR DOG IN THIS HOME? Yes No

If you answered NO to either of the above, you must comment below.

COMMENTS ON TRAINING, FEES, MISCELLANEOUS, OR IN GENERAL:

They were unaware of the fees as Mary doesn't have a computer but we discussed and she was fine with that. We mentioned that a Golden at 2 or 3yrs of age could still be a pretty high energy dog - depends on the dog. Think she wants one that is not in the puppy stage but not too old. Mary and Monica both seem trim and fit and capable of nice walks with the dog. We think a small Golden with moderate energy would be lucky to live here!
